

Village of Hamersville

Village Council Meeting

1 Dec 2025

Special Meeting

The Council of the Village of Hamersville met in special session at the Village Municipal Building on 1 Dec 2025 at 7PM. Members present were Beverly Coomer, Dale Owsley, Jerry Seibert, Eid Edaili, Cheryl Toppin, Charles Elliot. Also, present were Mayor Justin Jones, Police Chief/Village Administrator Guy Sutton, Travis Stone Police Officer. David Grimes Solicitor via phone.

Residents: Leslie Lovell, Angela Marlow, Charlene Bronner

Meeting was called to order with the pledge at 7Pm

Justin: Next meeting will be Dec 29th at 7pm. Pushing this back one week due to the Christmas Holiday.

Eid: The fuel add on for the electric bill what is this.

Bev: I got the paperwork from Melissa and now she is not here to ask.

Eid: I did the math and they went up 20-30% Eid showed his bill and displayed that it is up over previous months. Eid then discussed the increase of out of town customers.

David town solicitor was called vis phone by Justin. David stated we could hand write the correction to the ordinance as David was not present and display that. David would send an updated copy to display on the board.

Eid: The fuel add on, what is this?

Justin: IN case the rates skyrocket for some unknown reason, this allows AEP and the electric providers to pass the charge onto us. That is a one-to-one ratio. They go up \$10 or so they pass that straight through to us.

Justin: We are vacated Ord 2024-11 with 2025-07

Eid Motions and Dale 2nds

To accept all changes to 2025-07 as discussed. And Eid read the rates for Justin off of his copy.

Chuck Y, Bev N, Cheryl N, Jerry Y

Tim: We need a new ploy to fit the orange truck. Plow mount \$800, Harness and mount \$400, Used controller \$350-400, Plow itself would be \$1600, salt box around \$3800 we can't find one cheaper.

Justin: So, we need \$8500-\$9000

Chuck: Boss plow does brand matter?

Tim: I am accustomed to Boss plows and I'm very familiar with them.

Jerry: Why was this not acted upon in May when it was first mentioned with the grants. We could have purchased one then at a reduced price. Now we will be purchasing full retail.

Angela: What account would it come out of?

Justin: We need to appropriate 9K to take care of snow removal. Street fund

Jerry: Again; we could have saved money if we had someone managing this entire process.

Chuck: We need a plow w down pressure; Sno Way has down pressure.

A rather involved discussion was held with numerous members looking up down pressure plows and pricing from the web. A down pressure plow; it was agreed, would; enhance the amount of plowing necessary and decrease routes necessary. But the cost coefficient of such a plow would necessitate the additional appropriation of funds for the spreader. The down pressure plows are much more expensive.

Eid Motions Chuck 2nds

To spend up to \$9,000 from St Fund Appropriations for a plow mount, harness, remote, plow and a salt box with included spreader. Brand to be determined as shopping for best price for the village at time of purchase.

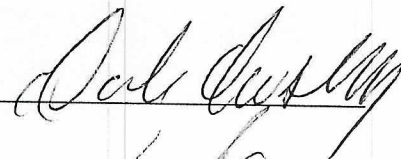

Dale Y, Jerry Y, Bev Y, Cheryl Y

Eid Motions to adjourn the meeting Cheryl 2nds

Cheryl Toppin

Dale Owsley

Bev Coomer

Eid Edaili

Jerry Seibert

Charles Elliot
