Guy: The pole that broke McKinneys has been fixed. They were tensioning a line, and it just snapped.

Wayne: The poles that were replaced were those ours?

Justin: Yes those were ours

Guy: Yes those on the north side. We still completed the project \$2,000 under budget. We ran tri plex line which will last much longer. The one pole replaced was set in the ground in 1958.

Justin: Read the Electric Rate Increase Ordinance 2024-11 amended for new rate increases.

Angela: Is it out here posted?

Eid: Justin, Angela made a good point, is it posted?

Justin: I'll hang one up and ensure Guy has the copy with the signatures as well.

Angela: We need to be able to see these citizens. So, we could come and make comments.

Wayne: You do not need to post a resolution three times in Ohio. Ohio does require that after passing, they must be posted.

Jerry: Mr. Polit did you have anything.

Justin: The next meeting is the 24th at 7Pm
