Mayor Neu called the meeting to order at 7:00 P.M. to discuss the proposed Hamersville Sewer system with the School Board.

After much discussion the School Board said they fully supported the Sewer System however they could not commit until they had more facts on their school funding to see if the proposed tap in fees would effect their funding in the future. Mr. Dunlap asked the village council if they could hold off on their proposed resolution until after Monday the 27 th day of January. Mr. Dunlap said the school had scheduled a meeting with the State School Board at 10:00 A.m. on that date and would like for the village to be present at that time.

Mr. Dunlap asked for permission to use the village council chambers for this meeting and permission was granted.

Mr. Staggs suggested that Mayor Neu appoint Mr. Roger Adkins to the village sewer committee since he is a property owner in the village.

Mayor Neu appointed Mr. Adkins to the Sewer Committee.

Mr. Adkins questioned the school in they had any kind of feeling on their funding and they replied not at this time.

After a short discussion among the council members it was decided to recess this meeting until Monday January 27, 1997 at 7:00 P.M.
