Paul Henson has a tree hanging over his electric lines. Larry Talbott has a vine in his electric box. The school lights need to be reset. The street lights on the corner of Adkins and Wayne and across from Woody Adam's auction house are staying on. Mr. Shaffer will take care of these. Cooper's electric service is finished. Delta Mobile Testing will be here next week.

We have a customer who wants to pay his bill one year in advance, and receive a 10% discount. The Board told him no.

We had a customer, Shannon Smith, who asked for an extension on her utility bill. Mrs. Elliott granted the extension. She came back and asked for more time, but Mrs. Elliott told her she could not do that. Shannon came back with a bill stamped paid, and tried to pass it off as hers, but it was her neighbor's. Ms. Rhodes made a motion not to give her extensions again, and Ms. Donner seconded the motion. The motion passed. Ms. Rhodes made a motion to adjourn. Ms. Donner seconded the motion, and it carried.
