

RESOLUTION NO. 1976-1

A RESOLUTION AUTHORIZING AN APPLICATION  
TO BE FILED FOR PARTICIPATION IN THE  
NATIONAL FLOOD INSURANCE PROGRAM

WHEREAS, certain areas of Hamersville are subject to periodic flooding from streams, causing serious damage to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Council to require the recognition and evaluation of flood areas having a specific flood hazard; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to the Constitution of the State of Ohio and the Ohio Revised Code;

NOW, THEREFORE, BE IT RESOLVED, that this Council hereby:

1. Assures the Federal Insurance Administration that it will enact as necessary, and maintain in force for those areas having flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests the Mayor with the responsibility, authority and means to:

a. Delineate or assist the Administrator, at his request in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

b. Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

c. Cooperate with Federal, State and local agencies and private firms which undertake to study, survey, map, and identify flood plain areas and cooperate with neighboring communities with respect to management of adjoining flood plain areas in order to prevent aggravation of existing hazards.

d. Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

3. Appoints the Clerk to maintain for public inspection and to furnish upon request a record of elevations in relation to mean sea level of the lowest floor, including basements of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Agrees to take such other official action as may be reasonable and necessary to carry out the objectives of the program.
